Intro: G//////C/////Em//////C-D-Em-D/F#

D/F# G Em Every breath I breathe, every part of me G С Every thought I capture, for the one who captured me D/F# Em And my soul is alive, burning like a flame That is seen from the heavens, joining with angels singing praise CHORUS G С To Him who loves us, and has freed us from us Em And our sins by His blood D- Em-**D/F# C-**My all and all, I give my all G С To Him who's made us larger than life Em And gave us future defined with purpose **C-**D-Em-D/F#

My all and all, I give my all to Him

I'm given chance to love, and to be loved in return Everything I know reveals my need to learn And truth becomes my heart, that once was torn and tattered I'm giving up my scars, I'm handing them over

## **TO CHORUS**
